U.S. Oil and Natural Gas Company Ownership, 2007

**If you own** mutual funds or a retirement account, chances are you're among the tens of millions of Americans with a stake in the oil and natural gas industry. A recent study\* by economist and former Clinton Administration official Robert Shapiro found the majority of oil and natural gas company shareholders are "middle-class U.S. households with mutual fund investments, pension accounts or other retirement accounts and small portfolios."

So when Congress starts talking about raising energy taxes or taking "excess profits" from U.S. oil companies, look at the facts and ask yourself, "who does that really hurt?" Read the full study at [EnergyTomorrow.org](http://EnergyTomorrow.org).
